1. When would you like to get married? As soon as possible? A specific date that's significant to you as a couple? In a few years so you have plenty of time to plan? Write an estimate below.

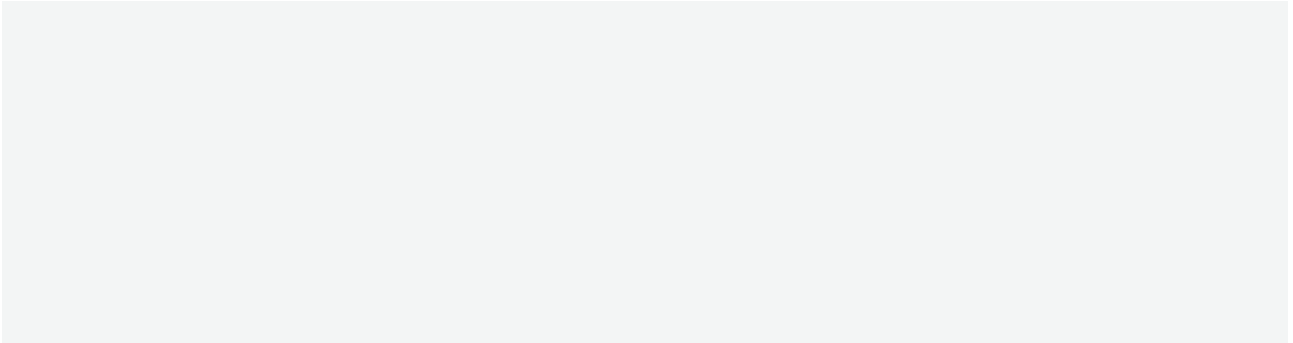

2. What is your budget? Think of a realistic figure that is reachable for the date of your wedding.

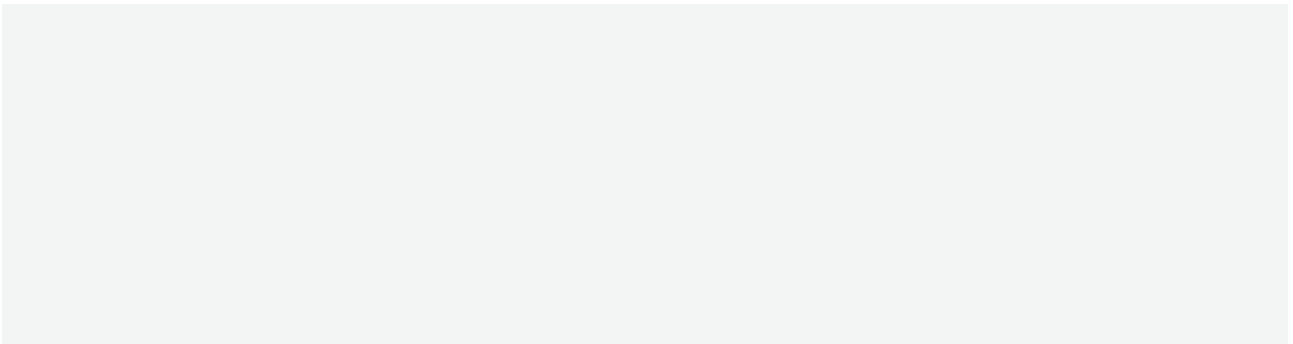

3. Where do you want to get married? This can be your home town, abroad, somewhere that you and your other half have always envisioned.

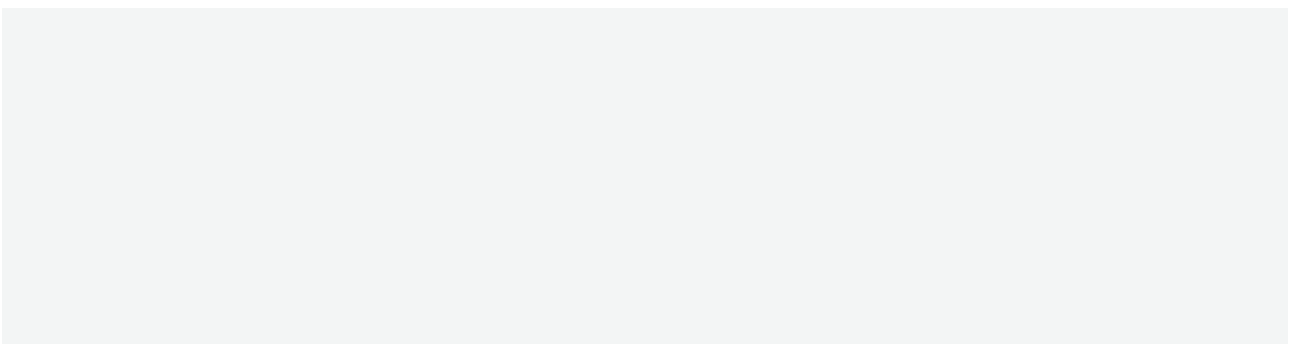

4. What type of venue would you like to get married in? Do you want a relaxed, boho style wedding in a barn? Or perhaps a glamorous affair in a manor house?

5. How many daytime & evening guests would you like to invite?

6. How many people are you having in the Bridal and Grooms parties?

7. List five absolute must haves at your wedding.

1.

2.

3.

4.

5.

8. List three things you absolutely DO NOT want to see at your wedding.

1.

2.

3.

9. If money was no option, what five things would you love to have at your wedding?

- 1.
- 2.
- 3.
- 4.
- 5.

Great! Now you're ready to *really* start planning your wedding.
